EXECUTIVE SUMMARY
WEST VIRGINIA BOARD OF EDUCATION

Series 1, Constitution
Series 2, Athletics, Provisions Governing Eligibility
Series 3, Provisions Governing Contests
Series 5, Band and Other Activities
West Virginia Secondary School Activities Commission (WVSSAC)
Proposed Changes in Rules and Regulations

BACKGROUND

The majority of public and most private schools in West Virginia belong to the WVSSAC. Each year, the principals of member schools submit revisions to the rules and regulations. The submitted proposals are presented and voted upon at the annual Board of Control meeting. Any approved changes are then submitted to the West Virginia Board of Education (WVBE) for its review and approval.

PURPOSE

These amendments are brought forth to keep the WVSSAC current and updated on changes, trends and issues in the band and athletic programs.

These proposals will be submitted to the WVBE for consideration for placement on public comment at the May meeting. The WVSSAC will present comments received during the comment period to the WVBE at the July meeting and recommendation adoption of the rules.

The WVSSAC staff, Constitution and Bylaws Committee, and Board of Control respectfully request that the proposed rule changes to the West Virginia Secondary School Activities Commission Rules and Regulations Handbook be placed on public comment.

**WVSSAC
Rules and Regulations Handbook
2021-22 Proposed Rule Changes**

Proposal 1

Vote: 133-0 Passed

Amend §127-1-9. Funds. (pg. 7-8) as follows:

~~9.1. The annual dues for members of this Commission shall be based upon the student enrollment of the school they represent.~~

~~9.1.a. A \$30.00 flat membership fee for all three- and four-year schools on the first 100 students, or fraction thereof, enrolled in a school.~~

~~9.1.b. After the first 100 students enrolled, the membership will be \$10.00 per 100 additional students, or fraction thereof, up to 1,000 students.~~

~~9.1.c. For each 100 students above 1,000 an additional \$5.00 per 100 students, or fraction thereof, is to be added.~~

~~9.1.d. A combined middle/high school shall pay a flat fee of \$30.00 for grades 7 and 8, and \$10.00 per 100, or fraction thereof, for grades 9, 10, 11, and 12 up to 1,000 students and \$5.00 per 100, or fraction thereof, above 1,000 students.~~

~~9.1.e. A \$30.00 fee is the ceiling for all middle schools/schools without grades 9-12.~~

~~9.1.f. Dues for the year are payable on or before February 1 of each year. Membership in the Commission shall extend from July 1 to June 30 in any year and shall be lapsed if dues are not paid on or before February 15. The enrollment figure to be used to determine the amount of dues shall be the gross enrollment of all students at the close of the second month of the current school year. In case a membership has lapsed, the member school may not be reinstated until the dues for the year of such lapsed membership, plus a penalty of \$25.00 reinstatement fee, have been paid to the Commission.~~

9.2. The Board of Directors may ~~reduce~~ initiate the amount of annual dues of the members for any year.

9.3. The Board of Directors is authorized to levy entry fees and assessments for the conducting of any interscholastic athletic or band activity when the activity is not self-supporting. Fees and assessments from one activity division shall not be used for the support of another.

9.4. The Commission shall determine the expenditures of money, but superseding power is given to the Board of Directors to use funds as are necessary to carry on its work.

9.5. The fiscal year of this Commission extends from July 1 to June 30. All monies ~~paid as dues to the Commission, as well as all monies~~ derived from any contest or other event sponsored by the Commission ~~become quasi-public funds and as such~~ shall be subject to an annual audit by the West Virginia Tax Commissioner. A written summary of the audit shall be a part of the annual report of the Executive Director to the Board of Control.

9.6. In case of dissolution of the WVSSAC, all funds of the Commission shall be prorated equally and distributed to the County Boards of Education or governing bodies of the members of the Commission. Provided, however, that governing boards of those schools that become members of the Commission subsequent to January 1, 1968, shall be entitled to a prorated share of only that portion of the Commission's fund which has been collected, earned, and accumulated between the inception of such membership and the actual dissolution of the Commission.

Alicia Riggleman
Musselman High School

Rationale:

Over the past several years, the yearly fees due by WVSSAC constitution have been waived. The Commission believes now is a time to eliminate the dues, but will maintain the authority to reinstate the fees if the need should arise.

Proposal 2

Vote: 127-0 Passed

Amend §127-2-3.2.c Enrollment and Team Membership. (Pg. 16-17) as follows:

3.2.c. Member schools containing grades 6 and/or 7 and/or 8 may combine students from two or more schools within the county or regional area to form one interscholastic team in a sport. Requests for permission to combine students from two or more schools in the same private/parochial or public school system must be submitted annually to the WVSSAC in writing by the superintendent of the private/parochial or public school system. Schools which are combining to form one team must be feeder schools for the same high school, and at least one school must have sufficient numbers for a team. If more than two schools are involved, principals are to evaluate the number of available participants in each school and shall combine schools to provide as many teams as sufficient

numbers allow. Sufficient numbers will be defined as the number of a starting line-up plus 50% (for odd number line-ups, round up).

Kimberly Collins-Blair
Harts PK-8

Rationale

In 2006, Lincoln County High was built. Two years later, Chapmanville Regional High School was built and given the title "regional" to include students from the Harts area. There was a verbal agreement made then that when Harts students did not have enough student athletes to participate in a sport they would be afforded the opportunity to participate at Chapmanville Middle School (in Logan County) or Guyan Valley Middle School (in Lincoln County). However, this situation was never a problem until the current school year and Harts PK-8 students were not granted the right to participate at CMS. Harts PK-8 is a unique situation. We are on the only area that has a regional high school built for their students across county lines. Harts PK-8 is a feeder school for both LCHS and CRHS. This would not impact other schools and cause an issues because of the rule stating "feeder school". Harts is a high poverty area and transportation is also an issue, geography is the explanation for the choice of Chapmanville for most parents as it is only 10 miles from Harts PK-8.

Proposal 3

Vote: 122-10

Amend §127-2-4 Age. (Pg. 18) as follows:

- 4.1. A student in high school who becomes 19 before ~~August 1~~ July 1 and a student in middle school who becomes 16 before ~~August 1~~ July 1 shall be ineligible for interscholastic competition.
- 4.2. A student in grade 8 or below who becomes 15 before ~~August 1~~ July 1 shall be ineligible for interscholastic competition at that level.
- 4.3. A student in grade 8 or below who becomes 15 on or after ~~August 1~~ July 1 shall remain eligible for the entire academic year at that level.

Mike Kelley
Herbert Hoover High School

Rationale

A change is necessary to SSAC policy 127-2-4. Age. Senate Bill 186 was into law by Governor Justice. This bill changed the age and month cutoff for students enrolling in Pre-k and Kindergarten. The previous law stated that all students seeking enrollment in Kindergarten must turn 5 years old before September 1st of the year in which they intend to enroll. SB 186 changed this cutoff date from September 1st to July 1st in order to give children more time to mature before entering formal public schooling. Current SSAC policy states that students must not turn 19 before August 1st of their senior year in order to be eligible. This policy allowed any student to be retained once during their K-12 career and still retain eligibility. By sticking with the August 1st cutoff date, student-athletes born during the month of July who are retained in any one year during grades K-12 would turn 19 before August 1st of their senior year. These July birthday student athletes should not be singled out and should be eligible to participate at the secondary level despite suffering through a retention. This proposed change will bring 127-2-4 of SSAC policy in line with SB 186.

Proposal 4

Vote 137-8

Amend §127-2-5.2 Semester and Season. (Pg. 18) as follows:

- 5.2. ~~While in grades 6, 7, and 8, a student shall not participate in more than three seasons in any single interscholastic activity. A student may have the privilege to participate in the interscholastic program for three consecutive years (or six consecutive semesters or equivalent) after entering the 6th grade.~~

Jason Marling
Sherrard Middle School

Rationale

This rule will prevent middle school students from having a "red shirt" year prior to entering high school. Some middle school students are choosing to repeat a grade in middle school in an attempt to gain an athletic advantage. This rule will prohibit students from being able to do this. Once a student enters the 6th grade, he/she will have three consecutive years to participate before moving on to high school.

Proposal 5

No Vote because Proposal 4 passed.

Amend §127-2-5 Semester and Season. (Pg. 18) as follows:

5.2. While in grades 6, 7, and 8, a student shall not participate in more than three seasons in any single interscholastic activity, and may only participate in a total of six consecutive semesters once that student enters grade 6.

Alicia Riggelman
Musselman High School

Rationale

The rule change is intended to establish limitations for total semesters of participation, rather than just the current seasonal limitations.

Proposal 6

Vote: 138 - 8 Passed

Amend §127-2-7.1.j Residence Transfer. (Pg. 21) as follows:

7.1.j Any international student enrolling in a member school who does not meet the criteria of 127-2-7.1h shall only be eligible to participate at the junior varsity level in any sport for the duration of the time the student is enrolled.

Steve Wamsley
Tygarts Valley High School

Rationale

This rule clarifies the eligibility status of international students who do not enroll as part of an approved foreign exchange program. This rule will stop schools from recruiting international students to their schools for athletic purposes. Will align with the work that has been done to establish competitive balance among schools.

Proposal 7

Vote 142-0 Passed

Amend §127-2-7.2.d Residence Transfer. (Pg. 21) as follows:

7.2.d. For the purpose of athletic eligibility, the Commission does not recognize emancipated minor status as it relates to transfer, ~~except as might occur in marriage and relocation to another school zone.~~

Meredith Dailer
Wheeling Park High School

Rationale

Marriage should not be an automatic exception. May be other factors to consider. If there are exceptions to be made to this rule, (including marriage) student athlete should be required to file an appeal with the Board of Directors.

Proposal 8

Vote: 13-120 Rejected

Amend §127-2-7.2.f Residence Transfer. (Pg. 22) as follows:

7.2.f. If a student enrolls who has been released and accepted by formal actions of county boards of education or similar governing bodies of a private/parochial school which have verified that such transfer is not for athletic purposes, the student will be granted immediate eligibility provided all other rules are met. The enrollment transfer may only occur once during the students four years of high school (9-12) eligibility ~~must occur at the beginning of the 9th grade academic year~~ with the student enrolled on or before the eleventh instructional day of the beginning of the academic year and provided that the student is residing with the parents. With respect to a student whose parents reside in an attendance zone containing more than one member school, at the time of enrollment in an out of district school at the beginning of the student's 9th grade academic year, the student must identify a "home" school. In the event the student later elects to utilize "transfer back" (§127-2-7.2.g), the student is only eligible to

transfer back to the identified "home" school. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school. (Revised 2012-13, 2017-18)

Jason Redman
Nitro High School

Rationale

Currently, parents are forced to make their school choice before having experienced what their home high school has to offer. This change will allow parents to make an informed decision based on their child's experience. Oftentimes schools get an unjust negative reputation from outsiders that influence that parents' school decision.

Proposal 9

Vote: 142-0 Passed

Amend §127-2-10.1 Non-school Participation. (Pg. 24) as follows:

10.1. During ~~the academic year~~ a WVSSAC established sport season and while a member of a school team, a student shall neither participate, which includes, but is not limited to, fund-raising activities, team picture, tryouts, etc., on any formally organized non-school team in the same sport, nor shall the student compete as an individual unattached in non-school formally organized competition in the same sport. The following sports are exempted from the provisions of this rule: cross country, golf, swimming, tennis, track, and wrestling, provided that: (Revised 2011-12)

Shawn Wheeler
Buffalo High School

Rationale

Clarifies when a student athlete is prohibited from participating on a non-school team. The new language makes it very clear when the student is prohibited from participating in both school and non-school teams. With this change, once the season begins as defined by the WVSSAC standardized calendar, students may not be a part of the non-school team under any condition, as outlined in the rule. Will bring consistency for all schools.

Proposal 10

Vote: 142-0 Passed

Amend §127-2-10.3 Non-school Participation. (Pg. 24) as follows:

10.2.e The USA Swimming Junior National Championship

Paul Mihalko
Morgantown High School

Rationale

This is a prestigious national championship level event. Qualifiers advance to the national championship. Very few swimmers in WV will even qualify. May impact one or two swimmers every few years. However, if there is a swimmer who does qualify, he/she should be allowed to participate without penalty.

Proposal 11

Vote 142-0 Passed

Amend §127-2-10.3 Non-school Participation. (Pg. 24) as follows:

10.3. A student who has participated on a non-school team or as an individual unattached in non-school formally organized competition after the ~~beginning practice date of that sport~~ WVSSAC established start date of that sport season will be ineligible for participation on that school team for that season in that particular sport except as provided by §127210.1 and §127-2-10.2.

Shawn Wheeler
Buffalo High School

Rationale

Clarifies when a student athlete is prohibited from participating on a non-school team. With the change, once the season begins as defined by the WVSSAC standardized calendar start date of the season, students may not be a part of the non-school team under any conditions, as outlined in the rule. Will bring consistency for all schools.

Proposal 12

Vote 142-0 Passed

Amend §127-2-13.8 Practice. (Pg. 26) as follows:

13.8. Students participating in a sport(s) in one season must have practiced ~~44~~ 12 separate days, exclusive of the day of a contest, to be eligible to participate in a sport in the next season with the following exception: the student has continued to practice or participate in tournament play without an interruption of school days. The student must complete five separate days of sport specific practice in the second sport.

Constitution and Bylaws

Rationale

Editorial change to align with rule change from 2020-21.

Proposal 13

Vote: 142-0 Passed

Amend §127-3-4.1 All-star Participation. (Pg. 37) as follows:

4.1. Only a graduating senior, or any student completing athletic eligibility at the end of the current academic year because of age or completion of semesters of eligibility, may play in ~~one~~ two All-Star games upon conclusion of each season without loss of athletic eligibility for the balance of that year. (Revised 2019-20)

Kenny Demoss
Parkersburg High School

Rationale

More conferences and organizations are hosting all-star events for student athletes that before. Student athletes should not be penalized or have to choose only one if they are invited to two separate events.

Proposal 14

Vote 75-67 Passed

Amend §127-3-7.2 Out-of-season Coaching. (Pg. 39) as follows:

7.2. School organized out-of-season practice or related activities shall be permitted with principal approval during three consecutive weeks established by each school and approved by each county board of education or by the governing body of a private/parochial school. These three consecutive weeks may begin on or after Monday of Week 49, and must conclude by Friday of Week 4 of the NFHS Standardized Calendar; provided, there will be no out-of-season practice or related activities during the week of July 4th as determined by the NFHS Standardized Calendar (refer to handbook appendix). Participation must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Participation by students during these weeks does not meet §127-2-13.4.

Cassie Porter
John Marshall High School

Rationale

School districts with more than one high school or middle school can sometimes conflict with each other. In some districts, community events might be more of a factor than other parts of the same district. In our district, our smaller rural high school has a big presence on our county fair and they do not want to conflict with the operation of an important part of the fair.

Proposal 15

Vote 6-137 Rejected

Amend §127-3-10.6 Classification. (Pg. 44) as follows:

Each member high school shall be classified in ~~boys and girls basketball all sports~~ as either AAAA, AAA, AA, or A based on a total score given by the classification model that considers the following factors: enrollment, location and economics. For an explanation of the classification model and how scores are assigned, see Glossary.

Rationale

This will be a more competitive balance formula. This will give 8 more schools that opportunity to be sectional champions and give 8 more schools the experience of competing at States. It will give the host city more revenue from hosting games. Sports are all about the student athlete and this will provide more student athletes with positive lifelong memories.

Proposal 16

Vote: 7-135 Rejected

Amend §127-3-10.1 Classification. (Pg. 43) as follows:

10.1. Excluding Boys basketball, girls basketball, and football, each member high school shall be classified as either AAAA, AAA, AA, or A based on the enrollment figures in grades 9, 10, 11, and 12 at the end of the second school month of the odd numbered year preceding the classification. (Revised 2011-12; 2018-19)

Liberty Raleigh High School

Rationale

To achieve a more competitive balance for West Virginia schools in football. Each high school athlete in the state has the opportunity to compete in postseason play except football. Expanding to four classifications would allow sixteen more football teams, cheer squads, bands, and communities to participate in and enjoy the playoff experience. Also, the financial stimulus to the team, school, and community could cause a radical shift in the athletic competitiveness of your schools' teams'.

<u>Bordering State</u>	<u># of teams in playoff</u>
Pennsylvania	323
Ohio	224
Maryland	182
Virginia	188
Kentucky	188
West Virginia	48

Proposal 17

Vote: 128-13 Passed

Amend §127-3-10.12 Classification. (Pg. 43) as follows:

10.12 The WVSSAC Board of Directors is authorized to grant a waiver to a classification assignment when it determines the rule fails to accomplish the purpose for which it is intended.

Dottie Smith and Eric Cheeseman
Wirt County High School

Rationale

An appeals process would allow for an opportunity for all schools to have a chance at competitive balance. For example, several member schools may have very high poverty rates, very low enrollment, but be located within their county seat. In this instance, the location to their county seat would be the main reason a school is in a higher classification. Having an appeals process would allow the WVSSAC Directors to grant waivers or exceptions for schools in similar situations.

Proposal 18

Vote: 6-138 Rejected

Amend §127-3-14.1 Sunday Contests. (Pg. 46) which also effects rule 127-2-13.3 (Pg. 25) as follows:

127-3-14.1.a Sunday Practice-Teams may conduct a practice on Sunday between 2:00 pm and 6:00 pm provided that there is a game scheduled on the following Monday, the practice length does not exceed two hours, it is not the seventh consecutive practice/game.

Mike Kelley
Herbert Hoover High School

Rationale

Oftentimes coaches are hesitant to schedule Monday games due to the fact that they do not have practice the day before. Limiting the number of consecutive practice/game will guarantee that student athletes have a day off.

Proposal 19

Vote 142-0 Passed

Amend §127-3-16.4.a Sanctioning and Travel. (Pg. 47) as follows:

16.4. Bordering state events requiring approval are:

16.4.a. Any interstate event in which four or more schools participate (All schools from ~~neighboring~~ bordering states.) and at least one of the states participating requires sanctioning.

Tom Adkins
Princeton High School

Rationale

This rule will enable WVSSAC member schools to be able to compete against bordering state schools that require sanctioning. Currently, Virginia, Maryland, and Pennsylvania require sanctioning. This rule will allow our member schools to continue to compete against schools in those states.

Proposal 20

Vote 142-0 Passed

Amend §127-3-16.5 Sanctioning and Travel. (Pg. 47) as follows:

~~16.5. Intrastate events requiring approval are:~~

~~16.5.a. An event with more than four schools participating; or~~

~~16.5.b. Any event where awards are given.~~

Tom Adkins
Princeton High School

Rationale

WVSSAC Rule 127-3-12 (Legal Opponents) clearly defines a legal opponent for member schools. This sanctioning rule creates unnecessary paperwork for school administrators as well as WVSSAC office staff. As long as schools follow 127-3-12 (Legal Opponents), there is no need for this rule.

Proposal 21

Vote 142-0 Passed

Amend §127-3-18 through 31 Season Regulations. (Pg. 48-59) as follows:

§127-3-19. Baseball.

19.6. Individual students of a team must have practiced on ~~44~~ 12 separate days, exclusive of the day of a contest, before participating in an interscholastic contest. ~~(Effective September 13, 2021)~~

Constitution and Bylaws

Rationale

Need to change to 12 required practices in each specific sport rule to align with rule change made last year. This will also change in Secretary of State's copy.

Proposal 22

No Vote

Amend §127-3-19.9.a Baseball. (Pg. 48) as follows:

19.9.a. Middle school teams may play ~~48~~ 20 games including tournaments sanctioned by the WVSSAC.

Brian Atkinson
Logan Middle School

Rationale

High School baseball is allowed 32 games exclusive of sectional, regional, and state tournament contests. In Middle school, we are currently only allowed 18 games including conference tournaments. That is a wide disparity in number of allowed contests that isn't seen in any other sport. We are asking to increase this amount of games to 20 in order to better prepare athletes for the endurance required to complete a High school season.

Proposal 23

No Vote

Amend 127-3-26.9a Softball (Pg. 55) as follows:

26.9.a Middle school teams may play ~~48~~ 20 games including tournaments sanctioned by the WVSSAC.

Rationale

High School softball is allowed 32 games exclusive of sectional, regional, and state tournament contests. In Middle school, we are currently only allowed 18 games including conference tournaments. That is a wide disparity in number of allowed contests that isn't seen in any other sport. Proposal 24

Vote 111-31 Passed

Amend §127-3-20.4.b Basketball (Boys and Girls). (Pg. 49) as follows:

20.4.b. A student can play only ~~five~~ six quarters in one day.

Lori Barnhart
St. Marys High School

Rationale

1. Many players, especially girls' programs in small schools do not have enough to play a junior varsity contest with only 5 quarters allowed. Several schools have canceled or limited junior varsity to 2 quarters.
2. Many high school players play travel type AAU ball that have them playing multiple games in one day. We believe last year players were allowed to play on high school and travel programs due to Covid-19 and no major injuries seemed to occur.
3. Administratively, many small schools financially lose out without extra parents from junior varsity support. Additionally, they incur the costs of officials the same whether they play a two quarter contest or a full game.
4. The participation and development, this extra quarter will allow, lets the more inexperienced players have a game to play in and remain interested. Thus, helping to prevent even further loss of numbers by inexperienced players leaving because they sit on the bench for all varsity games or get limited opportunities.

Proposal 25

Vote 114-28 Passed

Amend §127-3-20 Basketball (Boys and Girls). (Pg. 49) as follows:

20.4.a. The maximum number of quarters for a student in one season is ~~440~~ 132 exclusive of sectional, regional, and state tournament contests.

Lori Barnhart
St. Marys High School

Rationale

1. This change would only be requested if 20.4.b is amended per our proposal, so that this reflects 22 contest dates with 6 quarters in a day.
2. Again, this is an effort to maintain participation in smaller schools that have reducing enrollment and may face eliminating junior varsity programs, otherwise.

Proposal 26

Vote: 7-136 Rejected

Amend §127-3-23.8 Football. (Pg. 51) as follows:

23.8. The Board of Directors ~~is authorized to~~ shall adopt a point rating system and overall procedure for determining a state champion in each class that includes all member schools in the playoffs.

David Decker
Lincoln High School

Rationale

Football is the only sport the WVSSAC restricts participation in the post season championships tournament. All schools should be able to have the opportunity to participate in the championship tournament.

Proposal 27

Vote: 142-0 Passed

Patrick McGregor
Moorefield High School

Rationale

The reason for this proposal is to prepare our athletes to be safer within the limitations of practice and within sport specific movements especially tackling. This process will still afford each program a smooth and safe transition through the beginning of the season practice days. The progression will give programs a chance to teach the basics of tackling and blocking while utilizing the abundance of drills that involve soft equipment. We also believe that this type of change will drastically decrease the number of infractions related to utilizing body to body contact, or the use of soft equipment too early in the acclimation period.

Proposal 28

Vote: 138-6 Rejected

Amend §127-3-23.9.g Football. (Pg. 53) as follows:

23.9.g. Middle school football teams ~~may~~ shall play overtime periods in regular season games. ~~In season ending championship games, a tie breaking procedure shall be established and used if at the end of two overtime periods, the score remains tied. A maximum of two overtime periods~~ Overtime periods will be played until a winner is determined ~~are permitted~~ in accordance with the NFHS Football Rules "20 yard line overtime procedure."

Jeff Kisner
Jackson Middle School

Rationale

Eliminating the tie in regular season games allows better seeding in leagues at the middle school level. Ultimately, it eliminates the possibility of ending a championship game with a tie for the year. For example, in our league, if the #4 seeded team and the #1 seeded team play in the championship game and it would end in a tie. The #1 seed would win the league, even though the #4 seed played right with them the entire game.

Proposal 29

Vote: 142-0 Passed

Amend §127-3-30.10.b Volleyball (Girls). (Pg. 58) as follows:

30.10.b. Organized team practice will begin on Monday of Week 7 and the first contest may be played on Wednesday of Week 40 ~~9~~.

Constitution and Bylaws

Rationale

This rule was changed last year, but the middle school week was not changed. Need to change to be consistent with rule change. Editorial change.

Proposal 30

Vote 137-5 Passed

Amend 127-2-3.11 Enrollment and Team Membership (pg. 18) as follows:

3.11 ~~A~~ Homeschool students receiving home instruction pursuant to W.Va Code 18-8-1(c), shall be considered eligible for participating in interscholastic athletic events and other extracurricular activities of public secondary school serving the attendance zone in which the student lives or as allowed by 127-2-7.2.f and 127-2-7.2.h who (1) has been homeschooled for at least one year immediately preceding interscholastic athletic participation; (2) has demonstrated satisfactory evidence of academic progress for the immediately preceding academic year; (3) is enrolled in at least one virtual instructional course per semester, consistent with the applicable virtual instruction policy of the county board in which the home schooled student lives and the applicable virtual instruction policy of the State Board of Education; and (4) is otherwise eligible to participate as a result of being subject to all other eligibility rules applicable to a non- homeschooled student.

Constitution and Bylaws

Rationale:

This provides homeschooled students the same opportunity as non-homeschooled students the ability to choose a one time out of district school in the 9th grade.

Proposal 31

Vote: 142-0 Passed

Amend 127-3-6.4.b and c. Coaches (P. 39) as follows:

6.4.b The coach has successfully completed WVSSAC approved training: ~~NFHS~~ Sport Science, Sports First Aid, and the WV Component (14 hours of instruction and test) and has received WVDE authorization.

6.4.c ~~The authorized certified coach may be contracted to coach only if an employed certified professional educator within the county has not applied and accepted the coaching position.~~

Constitution and Bylaws

Rationale:

Policy 5202 no longer requires a certified educator to have priority over an authorized certified coach. This change will align WVSSAC policy with WVDE policy.

Proposal 32

Vote: 142-0 Passed

Amend Rule 127-2-13 Practice (P. 25) as follows:

13.4.c ...must have the required 44-12 separate practice days...

13.7 If a student has established eligibility in a sport requiring 44-12 separate days of practice...

13.8 Students participating in a sport in one season must have practiced 44-12 separate days...

Constitution and Bylaws

Rationale: Editorial changes to rule that was passed last year. Clean up of other rules to make consistent.

Proposal 33

Vote: 142-0 Passed

Amend Rule 127-2-14 Concussions (P.27) as follows:

14.5 Member schools must submit Part I of the concussion report form to the WVSSAC within 7 days and Part II within 30 days.

Constitution and Bylaws

Rationale: Need to change language to be consistent with requirements for schools.

Proposal 34

Vote: 141-1 Passed

Amend Rule 127-3-10 Classification (P.44) as follows:

10.8 A school may choose to compete in WVSSAC tournaments in one class above its classification in boys and girls basketball providing proper notification is made to the WVSSAC prior to April 1 of a new classification year. Approval of this option will be for a two year period ~~and will be in effect for individual sports by the school.~~

Constitution and Bylaws

Rationale:

This rule only applies to boys and girls basketball, not other sports in the school. This is a clean- up of language/editorial change to the rule.

Proposal 35

Vote: 142-0 Passed

Amend Rule 127-3-15 Sports Rules-Game Game Protests (P. 46) as follows:

15.3 Contests ~~or ejections~~ shall not be protested. Accordingly, the Board of Directors is not authorized to order contests replayed ~~or ejections reconsidered.~~

Constitution and Bylaws

Rationale:

Old language that needs to be deleted. The Executive Director is authorized to reconsider ejections.

Proposal 36

Vote: 140-2 Passed

Amend Rule 127-3-25 Soccer (P. 54) as follows:

25.2 Organized Team Practice: Organized team practice will begin on Monday of Week 5 and the first contest may be played on ~~Friday~~ Wednesday of Week 7.

Constitution and Bylaws

Rationale: This change was a unanimous recommendation from the Soccer Coach Committee. Allows more days to schedule games.

Proposal 37

Vote: 141-1 Passed

Amend 127CSR5

Constitution and Bylaws

Rationale:

Robotics has been approved by the WVSSAC Board of Directors as a sanctioned activity. Language needs to be added to provide consistency of application for all participating schools. Rules and regulations will be developed and available on the WVSSAC website.

TITLE 127
LEGISLATIVE RULE
WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION
SERIES 2
ATHLETICS, PROVISIONS GOVERNING ELIGIBILITY

§127-2-1. General.

1.1. Scope. -- These rules establish the provisions governing student eligibility to participate in interscholastic athletics.

1.2. Authority. -- W. Va. Constitution, Article XII, §2; and W. Va. Code §§18-2-5, 18-2-25, 18-2-25a, and 18-2-25b.

1.3. Filing Date. -- ~~July 14, 2021.~~

1.4. Effective Date. -- ~~September 13, 2021.~~

1.5. Repeal of Former Rule. -- This legislative rule amends W. Va. 127CSR2, West Virginia Secondary School Activities Commission Series 2, Athletics, Provisions Governing Eligibility, filed ~~July 9, 2020~~ July 14, 2021, and effective ~~September 9, 2020~~ September 13, 2021.

§127-2-2. Waivers.

2.1. The West Virginia Secondary School Activities Commission (WVSSAC/Commission) Board of Directors (Board of Directors) is authorized to grant a waiver to a rule when it determines the rule fails to accomplish the purpose for which it is intended or when the rule causes extreme and undue hardship upon the student.

2.2. Speculative loss of college scholarship is not considered a basis for granting a waiver to these rules.

§127-2-3. Enrollment and Team Membership.

3.1. To be eligible for participation in interscholastic athletics, a student must be enrolled full-time in a member school as described in §127-2-6 on or before the 11th instructional day of the academic year. Enrollment must be continuous after the student has officially enrolled in the school.

3.2. Students can participate in interscholastic activities only in schools in which they are enrolled; however, an exception may be granted by the Board of Directors as follows:

3.2.a. if a feeder school does not afford students the opportunity to participate and they are otherwise eligible.

3.2.b. for students from the West Virginia Schools for the Deaf and the Blind (WVSDB) to participate at Hampshire High School or Romney Middle School (only in sports not available at WVSDB).

3.2.c. Member schools containing grades 6 and/or 7 and/or 8 may combine students from two or more schools within the county or regional area to form one interscholastic team in a sport. Requests for permission to combine students from two or more schools in the same private/parochial or public school system must be submitted annually to the WVSSAC in writing by the superintendent of the private/parochial or public school system. Schools which are combining to form one team must be feeder schools for the same high school, and at least one school must have sufficient numbers for a team. If more than two schools are involved, principals are to evaluate the number of available participants in each school and shall combine schools to provide as many teams as sufficient numbers allow. Sufficient numbers will be defined as the number of a starting line-up plus 50% (for odd number line-ups, round up).

3.2.d. Students enrolled in the 9th grade may participate only on high school teams. Sixth grade students of a K-6 elementary feeder school may participate on their middle school team if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved. Members of a 9th grade team at a high school may be grouped for practice with members of the varsity team. However, if a 9th grade student participates in a varsity scrimmage or game, that student becomes ineligible for the 9th grade team. Participation is defined as dressing and being available to play in a game, regardless if the player enters the game.

3.2.e. Students at a middle feeder school who are not provided the opportunity to participate because of age may move up to their high school if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved.

3.3. A student academically ineligible by rule may begin practicing 15 school days immediately prior to the dates of regaining full eligibility provided all other eligibility requirements are met.

3.4. Students enrolled in the following grades in member schools will be eligible for middle school participation.

3.4.a. Grades 6, 7, and 8 may compete with and against schools/teams of the same configuration.

3.4.b. Stand-alone 9th grade programs at a high school may compete with and against schools/teams of the same grade configuration. An 8th grade student not provided the opportunity to participate at their member school because the sport is not offered may choose to participate on a stand-alone 9th grade team at their feeder high school, provided the student is otherwise eligible.

3.5. Sixth grade students are eligible to participate in all interscholastic sport teams, including football, in the middle/feeder elementary school in which they are enrolled.

3.6. Students who are enrolled in a grade below the 9th are not eligible for a high school team. Students enrolled in a grade below the 6th will not be eligible for a middle school team.

3.7. Twelfth grade students will be eligible for spring sports until the close of the school's season.

3.8. Schools may sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill. If a school sponsors a team in a particular sport for members of one sex but sponsors no such team for members of the other sex, and athletic opportunities for members of that sex previously have been limited, members of the excluded sex must be allowed to try out for the team offered. For example, because overall athletic opportunities for females have previously been limited,

127CSR2

females will be allowed to try out for baseball, but males will not be allowed to try out for volleyball or softball.

3.9. Students enrolled at West Virginia School for the Deaf will be allowed to participate in sports at the West Virginia School for the Blind. Students from the West Virginia School for the Blind will be allowed to participate in sports at the West Virginia School for the Deaf.

3.10. Boarding students at member schools, with the exception of students at the WVSD, are not eligible. (Definition: A boarding student is one who receives room and board that is provided by the school unless such residence is based on Court Order or State Action.)

3.11. A homeschooled student receiving home instruction pursuant to W.Va. Code §18-8-1(c) shall be considered eligible for participating in interscholastic athletic events and other extracurricular activities of the public secondary school serving the attendance zone in which the student lives ~~providing that the student~~ or as allowed by §127-2-7.2.f and §127-2-7.2.h who:

3.11.a. has been homeschooled for at least one year immediately preceding interscholastic athletic participation;

3.11.b. has demonstrated satisfactory evidence of academic progress for the immediately preceding academic year (see §127CSR3, Provisions Governing Contests, Glossary, for the definition of academic year);

3.11.c. is enrolled in at least one virtual instructional course per semester, consistent with the applicable virtual instruction policy of the county board in which the homeschooled student lives and the applicable virtual instruction policy of the West Virginia Board of Education (WVBE); and

3.11.d. is otherwise eligible to participate as a result of being subject to all other eligibility rules applicable to non-homeschooled students.

§127-2-4. Age.

4.1. A student in high school who becomes 19 before ~~August 1~~ July 1 and a student in middle school who becomes 16 before ~~August 1~~ July 1 shall be ineligible for interscholastic competition.

4.2. A student in grade 8 or below who becomes 15 before ~~August 1~~ July 1 shall be ineligible for interscholastic competition at that level.

4.3. A student in grade 8 or below who becomes 15 on or after ~~August 1~~ July 1 shall remain eligible for the entire academic year at that level.

§127-2-5. Semester and Season.

5.1. A student may have the privilege to participate in the interscholastic program for four consecutive years (eight consecutive semesters or equivalent) after entering the 9th grade.

5.2. ~~While in grades 6, 7, and 8, a student shall not participate in more than three seasons in any single interscholastic activity~~ A student may have the privilege to participate in the interscholastic

program for three consecutive years (or six consecutive semesters or equivalent) after entering the 6th grade.

5.3. Ten days of attendance or enrollment shall constitute a semester of eligibility. Ten days includes the day of enrollment, the last day of attendance, and the elapsed time between, provided that they are days when school was actually in session.

5.4. The number of semesters of athletic eligibility of a student is determined by semesters of enrollment and attendance and not by semesters of participation. (This applies for students in grades 9-12 only.)

5.5. A student whose eligibility expires with the end of a semester shall not become ineligible until report cards are issued or five school days into the next semester, whichever occurs first. The student will be considered eligible any days between the two semesters.

5.6. Any part of a contest or interscholastic event in which a student competes shall be counted as a season for that sport in grades 6-12 and a semester of participation in grades 9-12.

5.7. The Board of Directors is authorized to grant a waiver to the Semester and Season Rule when it feels the rule fails to accomplish the purpose for which it is intended and when the rule causes extreme and undue hardship upon the student. Waivers may be granted in the following circumstances:

5.7.a. The Board of Directors is authorized to consider cases in which a student entering 9th grade did not stay in continuous enrollment because of personal illness, or no school was available, or because of other undue hardship reasons ascertained through investigation.

5.7.b. The Board of Directors may provide release from the continuous enrollment restriction provided no participation has occurred during the semester(s) in question.

5.7.c. In no event may a student be allowed to participate for more than four seasons in any one sport in grades 9-12.

5.8. The Board of Directors may also assess appropriate penalties to the student or to the school if the Board of Directors determines through its investigation that the student or the school tried to evade the rule by subterfuge.

§127-2-6. Scholarship.

6.1. A student is required to be enrolled in the equivalent of four content area courses toward graduation.

6.1.a. If a student is taking a multiple period course, such as block or vocational courses for a full morning or afternoon, it may be counted as more than one course.

6.1.b. If a student has been declared ineligible according to the standards outlined above, the student may attend summer school and have eligibility reinstated if the student meets the standards at the conclusion of summer school.

127CSR2

6.1.c. If a student has been declared ineligible according to the standards outlined above, the student may have eligibility reinstated at midpoint of the course if the student is meeting the standards at that time.

6.2. A student not attempting four full credit subjects during a semester must complete nine weeks of school work to regain consideration for eligibility.

6.3. Any student who withdraws from school and does not re-enroll within ten school days of that withdrawal date will lose eligibility for the remainder of that semester.

6.4. Credit deficiencies cannot be made up after the last day of the semester except in a case where a student whose final examinations and course credit are delayed due to illness verified by a physician or as established by local board of education policy.

6.5. The official school transcript will be used to determine a student's eligibility and will be regarded as final.

6.6. In accordance with §126CSR26, WVBE Policy 2436.10, Participation in Extracurricular Activities (C Rule) (Policy 2436.10), students must maintain a 2.0 grade point average to participate in interscholastic athletics.

§127-2-7. Residence-Transfer.

7.1. Part A - Residence - This residence rule applies to all students enrolled in grades 6-12 in all member schools.

7.1.a. A student shall be eligible in the school located in the attendance zone in which the student's parents reside. Public secondary school attendance zones shall be established by official action by each county board of education. The attendance zones of a private/parochial member school shall be identical with the attendance zone of the public school in which the private/parochial member school is located. In the event of overlapping attendance zones, a student shall be eligible at the school in which the student first chooses to enroll upon entering the 9th grade.

7.1.b. When a town or city is located in two counties and only one public secondary school is located in the town or city, students living in the town or city may attend this secondary school if mutually agreed upon by the two county boards of education and approved by the Board of Directors. A student shall be eligible at the school in which the student first chooses to enroll upon entering 9th grade.

7.1.c. A student who is in the care of the West Virginia Department of Health and Human Resources (WVDHHR) shall be eligible to participate in interscholastic athletics as a member of the athletic teams of the secondary school in the zone in which the WVDHHR places the student in a home, provided the student is otherwise eligible.

7.1.d. A student entering a school as an "unaccompanied youth" under the conditions of the federal McKinney-Vento Act may be granted eligibility for interscholastic competition by the Board of Directors in accordance with §127-2-1.

7.1.e. A student may be eligible outside the specified zone of attendance if the student has been in attendance in that zone the immediate preceding year (365 days). There can be no change of residence involving change of attendance zone during the immediate preceding year (365 days).

7.1.f. A student whose parents have resided in the school zone for a minimum of one academic year, during which the student has been in attendance for a minimum of one academic year, and whose parents make a bona fide change of residence to a new school zone during the academic year may:

7.1.f.1. Retain eligibility as long as the student retains continuous enrollment and attendance, or;

7.1.f.2. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school, or;

7.1.f.3. Transfer at any time prior to the start of the next academic year to the school in the attendance zone in which the student's parents are residing and be eligible for interscholastic activities at the receiving school.

7.1.f.4. However, a student who has started participation in a sport, which would include practice or contest, that they were participating in at a WVSSAC member school, may not participate in that sport for that sport season at the WVSSAC member school to which they transferred, so long as that transfer was within one contiguous county of their former member school.

7.1.g. A student whose parents have resided in the school zone for less than one academic year, during which the student has been in attendance for less than one academic year, and whose parents make a bona fide change of residence to a new school zone during the school term may:

7.1.g.1. Retain eligibility for the balance of the academic year, provided the student retains continuous enrollment and attendance; or

7.1.g.2. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school; or

7.1.g.3. If a student chooses to remain enrolled at the school outside the attendance zone in which the student's parents reside at the conclusion of the academic year the student will be ineligible for the next academic year.

7.1.h. Foreign exchange students, attending a member school under the auspices of a Council on Standards for International Educational Travel (CSIET) student exchange program, shall be considered eligible regarding residence for a maximum period of one calendar year. A foreign exchange student may not be a graduate of the secondary school of the home country and must maintain eligibility in a member school. A foreign exchange program must assign students to schools by a method which ensures that no student, school, or other interested party may influence the assignment for athletic purposes.

7.1.i. A student returning from an approved foreign exchange program may resume interscholastic competition in the member school in which the student was enrolled at the point of interruption, provided the student does not fulfill graduation requirements while participating in the exchange program and provided the student meets all requirements relative to age and semesters of eligibility.

7.1.j. Any international student enrolling in a member school who does not meet the criteria of §127-2-7.1.h shall only be eligible to participate at the junior varsity level in any sport for the duration of the time the student is enrolled.

7.2. Part B - Transfer.

7.2.a. If a student transfers during the academic year from one secondary school to another secondary school, the student shall be ineligible for 365 days from date of enrollment, absent a bona fide change of residence. Students who are ineligible under this rule may practice during the period of ineligibility, given they meet all other factors of eligibility outlined in Policy 2436.10, §3. Eligibility. Determination of a bona fide change of residence depends upon the facts of each case and is defined as, but not limited to:

7.2.a.1. The original residence must be abandoned as a residence; in that the original residence is sold, rented, or disposed of as a residence, and must not be used as a residence by the immediate family;

7.2.a.2. The change is being made with the intent that the move is permanent;

7.2.a.3. The entire family must make the change;

7.2.a.4. Documentation of connection of utilities to the residence (e.g. power, water, waste, sewer);

7.2.a.5. Change of voter's registration, driver's license, mailing address, etc.;

7.2.a.6. If a student returns to a previously abandoned residence, the student shall be ineligible for 365 days from the date of enrollment.

7.2.b. If the transfer is from a private/parochial school to a member school in the zone where the student's parents reside, a student is eligible providing: (1) the student is enrolling in a member school for the first time, and (2) the principals of both private/parochial and member schools involved concur that undue influence is not involved with the transfer.

7.2.c. A student may be transferred from one attendance zone to another zone within the same county by a county board of education and maintain eligibility. The transfer must be initiated by county board of education personnel to fulfill certain special education program(s) not available in the attendance zone from which the student is transferred. Upon the completion of the special program, the student must return to the attendance zone of the student's residence.

7.2.d. For the purpose of athletic eligibility, the Commission does not recognize emancipated minor status as it relates to transfer, ~~except as might occur in marriage and relocation to another school zone.~~

7.2.e. Notwithstanding any other provisions of WVSSAC rules and regulations, if a student transfers for athletic reasons, the student will be ineligible for 365 days from the date of enrollment. A transfer for athletic reasons depends upon the facts of each case and is defined as, but not limited to:

7.2.e.1. Seeking a superior athletic team;

7.2.e.2. Seeking a team consistent with the student's ability;

7.2.e.3. Seeking relief from conflict with the philosophy or action of an administrator, teacher, or coach relating to athletics;

7.2.e.4. Seeking a means to nullify punitive action by the previous school.

7.2.f. If a student enrolls who has been released and accepted by formal actions of county boards of education or similar governing bodies of a private/parochial school which have verified that such transfer is not for athletic purposes, the student will be granted immediate eligibility provided all other rules are met. The enrollment transfer must occur at the beginning of the 9th grade academic year with the student enrolled on or before the eleventh instructional day of the beginning of the academic year and provided that the student is residing with the parents. With respect to a student whose parents reside in an attendance zone containing more than one member school, at the time of enrollment in an out-of-district school at the beginning of the student's 9th grade academic year, the student must identify a "home" school. In the event the student later elects to utilize "transfer back" (§127-2-7.2.g), the student is only eligible to transfer back to the identified "home" school. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school.

7.2.g. Transfer Back. During the 9th, 10th, 11th, and 12th grades, a student shall be entitled to one transfer back from a school located outside the attendance zone where the student's parents reside into the member school located within the attendance zone where the student's parents reside. This school must be the home school identified in the initial enrollment in the out of district school. Any student transferring under the provisions of this rule will not become eligible until the completion of the academic year in which the transfer occurs. Eligibility will begin with the succeeding fall sports season, or immediately if the transfer back is completed on or before the eleventh instructional day of the beginning of the academic year. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school.

7.2.h. If a member middle school student is released and accepted by formal actions of county board of education or governing body of a private/parochial school which have verified that such transfer is not for athletic purposes, the student will be granted immediate eligibility provided all other rules are met. The transfer must occur at the beginning of the academic year with the student enrolled on or before the eleventh instructional day of the beginning of the academic year and provided that the student is residing with the parents. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school.

7.2.i. The eligibility of a student whose parents are divorced or legally separated is determined by court decree establishing residency with one parent.

7.2.j. After establishing initial residency with one parent, all subsequent transfers will require a period of ineligibility for 365 days from date of enrollment unless a change of residency is decreed by the court.

7.2.k. Any homeschooled student participating in interscholastic athletics pursuant to W. Va. Code §18-2-25(d) who leaves a member school during the school year is subject to the same rules/protocols that apply to non-homeschooled student transfers.

§127-2-8. Adoption/Guardianship.

8.1. A student shall be eligible to participate in interscholastic athletics and activities only if: (1) residing with one or both of the parents; (2) residing with a testamentary guardian following the death of the parents; or (3) residing in a location where the student was placed by the WVDHHR pursuant to §127-2-7.1.c.

8.2. The residence of a testamentary guardian shall constitute the residence of the ward when, and only when: (1) the testamentary guardian has been duly appointed by the last will and testament of the student's last surviving parent; (2) the testamentary guardian has duly qualified as such before the proper tribunal in West Virginia; and (3) the student is actually residing in the household of the testamentary guardian at the time of the student's sport participation.

8.3. Notwithstanding any other provision of the WVSSAC rules and regulations, any student residing with a guardian/custodian other than a testamentary guardian may not compete for a school in any sport on the varsity level but may compete at the junior varsity level. If a student elects to participate at the junior varsity level pursuant to this rule, the student may not participate at the varsity level even after being enrolled at the school for 365 days. However, if a student elects to participate at the junior varsity level pursuant to this rule, and then commences to reside with a custodial parent, the student may participate at the varsity level notwithstanding the fact that the student had previously participated at the junior varsity level pursuant to this rule.

8.4. Notwithstanding any other provisions of WVSSAC rules and regulations, legal guardian/custodian may not be changed for athletic reasons. A transfer for athletic reasons is defined in §127-2-7.2.e.1-4.

§127-2-9. Undue Influence - Recruiting.

9.1. The use of influence by a person or group, connected or not connected with the school, to secure or retain a student for athletic participation is not permitted and may cause the student to be ineligible and may cause certain sanctions to be placed against the member school.

9.2. An employee of the school system shall not initiate any communication regarding athletic participation or enrollment with a student, parent of a student, guardian, or family member, in person or through a third party, prior to enrollment. This does not include the introduction of athletic programs to students at feeder schools.

9.3. A student, parent of a student, or guardian shall not be offered for the purpose of encouraging enrollment in a school or participation in an athletic program any inducement, such as free tuition, jobs, supplies, uniforms, other than that which is provided for all students.

§127-2-10. Non-school Participation.

10.1. During ~~the academic year~~ a WVSSAC established sport season and while a member of a school team, a student shall neither participate, which includes, but is not limited to, fund-raising activities, team picture, tryouts, etc., on any formally organized non-school team in the same sport, nor shall the student compete as an individual unattached in non-school formally organized competition in the same sport. The following sports are exempted from the provisions of this rule: cross country, golf, swimming, tennis, track, and wrestling, provided that:

10.1.a. participation is approved by the student's principal; and

10.1.b. the student misses no school-sponsored athletic contest involving a team in that sport.

10.2. A student may participate as a member of a national team (and the actual, direct tryouts thereof) which is defined as:

10.2.a. one selected by the national governing body of the sport;

10.2.b. while representing the National Federation in an International Schoolsport Federation;

10.2.c. as a representative of the United States in recognized national or international events; ~~or~~

10.2.d. a qualifier for the West Virginia Golf Association's Amateur Championship or the United States Golf Association's United States Amateur Championship; or

10.2.e. the USA Swimming Junior National Championship.

10.3. A student who has participated on a non-school team or as an individual unattached in non-school formally organized competition after the ~~beginning practice date of that sport~~ WVSSAC established start date of the sport season will be ineligible for participation on that school team for that season in that particular sport except as provided by §127-2-10.1 and §127-2-10.2.

§127-2-11. Amateur.

11.1. A student who represents a school in an interscholastic sport shall be an amateur in that sport. An amateur athlete is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom. An athlete forfeits amateur status in a sport by:

11.1.a. competing for money or other monetary compensation (allowable travel, meals, and lodging expenses may be accepted);

11.1.b. receiving any award or prize of monetary value which has not been approved by the WVSSAC;

11.1.c. capitalizing on athletic fame by receiving money or gifts of monetary value (scholarships to institutions of higher learning are specifically exempted);

11.1.d. signing a professional playing contract in that sport.

11.2. Accepting a nominal, standard fee or salary for instructing, supervising, or officiating in organized youth sports program or recreation, playground, or camp activities shall not jeopardize amateur status. "Organized youth sports program" includes both school and non-school programs. Compensation for giving private lessons is permissible if approved by the WVSSAC.

11.3. A student who loses amateur status may apply to the WVSSAC for reinstatement in the interscholastic program after a waiting period of one complete high school season (starting practice date through state tournament or end of season) for that sport.

11.4. A senior student may participate in a professional tryout either during or after the season of that sport provided that:

11.4.a. it does not occur on the day of a school contest of that sport; and

11.4.b. it meets with the principal's approval.

§127-2-12. Participation as an Ineligible.

12.1. Any student who participates in an interscholastic athletic contest as an ineligible, either knowingly or inadvertently, shall be ineligible for a period not to exceed 365 days as determined by the WVSSAC Executive Director.

§127-2-13. Practice.

13.1. Only students enrolled and eligible to be listed on the eligibility certificate for that sport in the specific member school are allowed to participate in that school's practices. Exceptions are §§127-2-3.2, 127-2-3.5, and 127-2-13.6.

13.2. The frequency and length of practice is at the discretion of each member school.

13.3. Member schools of the WVSSAC may practice on any day of the year with the exception of Sunday practice. §127-3-14.2 further clarifies Sunday practice.

13.4. Individual players of a team must have practiced:

13.4.a. on five separate days before participating in an interscholastic scrimmage.

13.4.b. on 12 separate days, exclusive of the day of a contest, before participating in an interscholastic contest. The following sport(s) is exempted from the provisions of this rule: golf.

13.4.c. a student athlete who is absent from practice with their team for non-medical reasons, and not under a doctor care, for more than 14 consecutive days must have the required ~~full 14~~ 12 separate practice days before resuming participation in a contest. Students participating in football must follow the practice progression as set forth in §127-3-23.

13.5. A student shall not be permitted to engage in interscholastic practice until that student has filed with the principal a completed Athletic Participation/Parental Consent/Physician's Certificate Form. §127-3-3 further explains this required form.

13.6. A student academically ineligible may begin practicing 15 school days immediately prior to the date of regaining full eligibility. (All other ineligible students may not practice.)

13.7. If a student has established eligibility in a sport requiring ~~14~~ 12 separate days of practice and is continuing to participate in that sport or no school days have lapsed from one sport to another sport in a same season, the student may participate in another sport of the season after completing five separate days of sport specific practice in the second sport.

13.8. Students participating in a sport(s) in one season must have practiced ~~14~~ 12 separate days, exclusive of the day of a contest, to be eligible to participate in a sport in the next season with the following exception: the student has continued to practice or participate in tournament play without an interruption of school days. The student must complete five separate days of sport specific practice in the second sport.
